## Dechlorinating Shower Filter

### Features:

- Converts Chlorine into a harmless soluble chloride.
- Crystalline quartz for energy enhanced shower "feel" and better lathering.
- High quality name-brand shower heads come standard. We feature Whedon fixed-action shower heads and Shower Pro massage heads. No head models are also available.
- Works wonderfully with hand-held shower kits.
- Polyester filter element enhances cartridge performance through sediment removal.
- Installs in minutes - no special tools or professional help required.
- Easy to replace filter cartridges lasts 6-7 months. It just takes seconds to assure continual chlorine removal.
- Combo Brochure Available with CQ-1000 & Crystal Ball for the Bath.

### For a Healthier, More Enjoyable Shower... The Rainshow'r® Way

You deserve healthier water in every aspect of your daily life, not just the drinking water. Our Rainshow'r® CQ-1000 dechlorinating shower filter provides a long lasting solution to the problems associated with exposure to excessive amounts of chlorine. Its specially-formulated KDF®-55 filter media effectively removes 90% or more of chlorine from shower water. Once in contact with the KDF®-55, chlorine in the water converts into an environmentally safe and harmless soluble chloride. System tested and Certified by NSF International Against NSF/ANSI Standard 177 for the Reduction of Free Chlorine.

CQ-1000 Shower Dechlorinator

### Benefits

Because of this superior chlorine removal, you will see changes in the way your hair and skin feel including....

- healthier, younger looking skin
- softer, more manageable hair
- relief from dry skin & scalp
- less fading in color-treated hair

### Special Configurations
